

Women's Smart Frocks

IN THE SPRING MANNER.

are of Canton crepe embroidered in silver

Special, 25.00

A most engaging model indeed is this one of Spring tendencies and refreshing brightness of adornment—a charming addition to the Winter wardrobe.

The frock is of Canton crepe, gracefully designed, the waist and sleeves lavishly embroidered with silver thread, while narrow strips of the embroidery lend effectiveness to the skirt.

Even the colors are worthy of attention—shepherd blue, almond green, gray, henna, toast and navy. Sizes 34 to 42. *Fourth Floor*

Charming Chiffon Frocks

FOR MISSES

—as blithe and carefree as the occasions upon which they are to be worn—

Special, 35.00

Vari-colored ribbons about the waist, and hiding underneath the chiffon skirt until they emerge at the bottom—

An unusual panel skirt with bands of silver lace—also silver ribbons about the waist and a silver flower.

A circular skirt, gathered about the waist with silver ribbon in two tones, the color again displayed in a cocarde directly in the center of the girle—

Here you have some of the fashion points that distinguish these lovely frocks—yet neither word or illustrations can convey their charm or daintiness sufficiently.

In gray, coral, jade, orchid, black and American beauty. Sizes 14 to 20. *Fourth Floor.*
